Module description

Module title
Mentoring of the work placement in special education

Abbreviation
06-G-PrBegl-092-m01

Module coordinator
holder of the Chair of Special Education IV

Module offered by
Chair of Special Education IV: Education for People with Developmental and Intellectual Disabilities

ECTS
6

Method of grading
(not) successfully completed

Only after succ. compl. of module(s)

Duration
1 semester

Module level
undergraduate

Other prerequisites

Contents
Theory-driven class planning; conceptualising own classes; problems regarding school laws and school practice; institutional questions, exemplary connections between theory and practice, questions of applying general and subject didactics.

Intended learning outcomes
The students advance their professional competence by applying and reflecting their knowledge and experiences from previous modules in a methodological manner. The work placements and the subsequent counselling boost the students' self-competence and encourage them to ask questions about the necessary qualifications and personality traits of Special Education teachers. They advance their methodological competence by practising and scientifically reflecting their skills.

Courses
(type, number of weekly contact hours, language — if other than German)
S (no information on SWS (weekly contact hours) and course language available)

Method of assessment
(type, scope, language — if other than German, examination offered — if not every semester, information on whether module is creditable for bonus)
a) placement report (approx. 20 pages) and b) outlines for 5 classes (3 pages each) and c) written preparation of 2 classes (10 pages each) and d) presentation of classes during seminar (approx. 20 minutes)

Allocation of places
