Project learning as an individual teaching and studying unit within Science and Social Studies involves different work stages from drafting and planning to organising and executing up to evaluating and documenting. The module offers a platform for individual project learning within a practical unit and for the conceptual development of own project ideas.		
Intended learning outcomes		
The students are able to conceptualise, plan and oversee projects. They can prepare and edit contents from the field of Science and Social Studies and Natural Sciences in a didactical manner and are able to document the implementation of a project regarding its content and didactics.
