## Contents
The students independently work on a topic related to pedagogics and didactics at Grundschule. The topic is chosen in consultation with the supervisor and the aim is to write a scientific Hausarbeit.

## Intended learning outcomes
The students are able to independently familiarise themselves with a predetermined didactical or pedagogical question regarding Grundschule and to use literature relevant to the topic to answer the question. They apply the knowledge and methods they have acquired during the teaching degree programme. They are capable of representing the results of their work in written form according to scientific standards.
