The students independently work on a question related to School Pedagogics. The topic is chosen in consultation with the supervisor and the aim is to write a scientific Hausarbeit.		
Intended learning outcomes		
After successfully completing this module, the students are able to independently examine a question of School Pedagogics and to review and explain literature in a proper and target-oriented way. They apply the competencies that they acquired in the teaching degree programme and are able to write down and present their results in a scientific and differentiated manner.
