<b>ECTS</b>	<b>Method of grading</b>	<b>Only after succ. compl. of module(s)</b>
5	numerical grade	--
<b>Duration</b>	<b>Module level</b>	<b>Other prerequisites</b>
1 semester	undergraduate	The module can only be considered for credit if a certificate (stating the type and scope of the placement) issued by the institution where the placement was completed is submitted as proof of placement. Duration of placement: 2 weeks (40 hours) or divided up: weekends or one afternoon per week during the semester etc.
<b>Contents</b>		
During the work placements, the students become acquainted with the work of a special educational or inclusive institution and gain own experiences. In the seminar, they use specific examples from the work placements to evaluate the institutions' work practice in view of their theories, (special) education and psychology.		
<b>Intended learning outcomes</b>		
The students know the specific pedagogical and special educational questions of a corresponding institution (institutions for people with developmental and intellectual disabilities, physical disabilities, socio-emotional disorders, learning disabilities and speech impediments). The students know the possibilities of individual support in pedagogical and psychological contexts; they gain experience in determining the special educational needs of individuals with disabilities/impairments and in developing diagnosis-oriented education plans
