## Methods of grading

Only after succ. compl. of module(s)

## Contents

Detailed examination of special educational fields of action in the context of developmental delays and learning disabilities (e.g. early interdisciplinary intervention); preschool education, schooling and support; forms of organisation and support in school; preparation for career decision making in school; fostering of occupational maturity; after-school measures for vocational preparation, education and support.

## Intended learning outcomes

Profound knowledge of the professional diversity of special educational action; competencies regarding prevention and intervention in the course of development/life of (small) children and juveniles with developmental delays and learning disabilities, especially regarding different fields of action and specific aspects; extension of the students' understanding of their own professional role

## Courses

This module comprises 2 module components. Information on courses will be listed separately for each module component.

- 06-L-SHF-1-102: S (no information on SWS (weekly contact hours) and course language available)
- 06-L-SHF-2-102: S (no information on SWS (weekly contact hours) and course language available)

## Method of assessment

Assessment in this module comprises the assessments in the individual module components as specified below. Unless stated otherwise, successful completion of the module will require successful completion of all individual assessments.

### Assessment in module component 06-L-SHF-1-102: Fields of activity; action in the area of special needs - prevention
