Contents		
<p>Fundamental methods and techniques of academic work such as: self-management (learning techniques, time and self-management), searching databases on the internet, documenting and citing sources. Reading, understanding and writing academic texts. Presentation techniques. Exercises, for example writing an academic exposé on a given topic, will provide students with an opportunity to put their acquired knowledge and skills into practice.</p>		
Intended learning outcomes		
<p>Students are familiar with central concepts and methods of academic work and thus display key skills that are essential for their university studies. They have learned how to use academic literature (literature search, documentation, reception, citations) and recognise the relevance and importance of academic writing and the structure(s) of academic papers. In addition, students have acquired skills required for (oral and written) assessments at university as well as essential self and time management skills.</p>
