Contents		
<p>The placement aims to provide an insight into the different fields of activity in the media and communication business. The placement provides students with an opportunity to enhance their acquired knowledge and skills by applying them to practical issues. Students also get an opportunity to gain additional practical experience in the field of media communication before entering the labour market.</p>		
Intended learning outcomes		
<p>The placement provides students with an opportunity to apply the knowledge and skills acquired at university to practical issues of the media business. They should obtain practical skills of different media professions and reflect those skills against the theoretical background of their university education.</p>
