<b>Contents</b>		
The vocationally-oriented placement aims to provide an insight into the fields of activity in the media and communication business. The placement provides students with an opportunity to enhance their acquired knowledge and skills by applying them to practical issues.		
<b>Intended learning outcomes</b>		
The placement provides students with an opportunity to apply the knowledge and skills acquired at university to practical issues of the media business. They should obtain practical skills of different media professions and reflect those skills against the theoretical background of their university education.
