Contents		
This module aims to acquaint students with historical, economic, and legal framework conditions of the German press and broadcasting systems. It also provides them with an insight into the conceptualisation and marketing of media offers.		
Intended learning outcomes		
Students should gain an insight into the German media landscape. They learn how to classify and explain the development of current media structures and media offers against the background of historical developments, economic necessities and legal framework conditions. Students learn to question the editorial design of media offers as well as to conceptually and systematically analyse them and estimate their marketing potential.
