<b>Contents</b>		
This module aims to provide fundamental knowledge about the structure and development of media markets, marketing, advertising, and public relations. It further provides an introduction to central topics of work and organisational psychology (specifically personnel diagnosis and organisational diagnosis).		
<b>Intended learning outcomes</b>		
Students are able to think in business-oriented ways and business contexts when planning media offers and when strategically communicating on behalf of/in the name of media organisations. They should have a basic knowledge about diagnostic approaches for optimising the internal and external communication of organisations.
