<b>Contents</b>		
In the context of a seminar, this module will provide students with more in-depth insights into either internal or external business communication. Building on the contents of the two lectures in the module <i>Wirtschaft, Markt und Medien 1 (Business, Market and Media 1)</i> , the module will discuss in more detail either aspects of marketing, advertising and public relations or aspects of work and organisational psychology.		
<b>Intended learning outcomes</b>		
Building on the contents of the two lectures of module <i>Wirtschaft, Markt und Medien 1 (Business, Market and Media 1)</i> , this module acquaints students with concrete application fields and processes of business communication. The skills acquired in this module should enable students to flexibly respond to labour market needs in different media areas.
