Module title	Abbreviation
Educational work of the present	06-PÄD-BG-252-m01

Module coordinator	Module offered by
holder of the Chair of Systematic Educational Science	Chair of Systematic Educational Science

ECTS	Method of grading	Only after succ. compl. of module(s)
5	numerical grade	--

Duration	Module level	Other prerequisites
1 semester	undergraduate	--

Contents

The module analyzes concepts and models in various areas of education and learning in the current educational landscape, e.g. in media, political or cultural education or education for sustainable development. It provides insights into the objectives, challenges and best practice examples of educational work in these areas of education.

Intended learning outcomes

Students are aware of the current challenges and developments in the current educational landscape. They can analyze current concepts of educational work and classify them in the pedagogical discourse as well as design new concepts themselves and discuss them with regard to pedagogical objectives.

Courses (type, number of weekly contact hours, language — if other than German)

S (2)

Method of assessment (type, scope, language — if other than German, examination offered — if not every semester, information on whether module is creditable for bonus)
