

Module title		Abbreviation
Pedagogical Internship for orientation		o6-PÄD-OP-202-m01
Module coordinator		Module offered by
holder of the Chair of Systematic Educational Science		Chair of Systematic Educational Science
ECTS	Method of grading	Only after succ. compl. of module(s)
5	(not) successfully completed	--
Duration	Module level	Other prerequisites
1 semester	undergraduate	--
Contents		
In the module orientation-internship, students acquire initial knowledge about possible educational tasks and practical fields of an educator. It allows a first impression of requirements and components of an educator's professional competences.		
Intended learning outcomes		
The students have gained insight into practical work of educators. The students think about their own expectation and idea of educational work and practical fields as well as their requirements. Furthermore, they can also realise their own skills and motivation for future job goals.		
Courses (type, number of weekly contact hours, language – if other than German)		
P (0)		
Method of assessment (type, scope, language – if other than German, examination offered – if not every semester, information on whether module is creditable for bonus)		
report on practical course (1 to 2 pages)		
Allocation of places		
--		
Additional information
