Pedagogical internship 1		o6-PÄD-P1-202-mo1
Module coordinator		Module offered by
holder of the Chair of Systematic Educational Science		Chair of Systematic Educational Science
ECTS	Method of grading	Only after succ. compl. of module(s)
5	(not) successfully completed	--
Duration	Module level	Other prerequisites
1 semester	undergraduate	--
Contents		
The internship in an educational field helps the students to acquire educational professional knowledge. It allows practical experience within a professional pedagogical context and is reason for the scientific analysis of practical problems.		
Intended learning outcomes		
The students have acquired professional knowledge and insight into the requirements of professional educational actions. The students are able to apply knowledge, which they have gotten from their studies, to the educational practice and thereby further deepen it.		
Courses (type, number of weekly contact hours, language – if other than German)		
P (o)		
Method of assessment (type, scope, language – if other than German, examination offered – if not every semester, information on whether module is creditable for bonus)		
placement report (1 to 2 pages)		
Allocation of places		
--		
Additional information		
Duration of practical course: no less than 4 weeks. Prior to the placement, approval must be obtained from the Chair of Systematic Educational Science. Approval will be granted if the institution at which a student wishes to complete his/her placement is considered suitable, i. e. is considered to be in a position to help the student acquire relevant skills.		
Referred to in LPO I (examination regulations for teaching-degree programmes)
