Module title: Scientific Presentation

Abbreviation: 06-PÄD-WP-202-m01

Module coordinator: holder of the Chair of Systematic Educational Science
Module offered by: Chair of Systematic Educational Science

ECTS: 5
Method of grading: Only after successfully completed

Duration: 1 semester
Module level: undergraduate

Other prerequisites: --

Contents:
This module requires the students to present and explain results of their own scientific project to a larger audience. It focuses on the communication and presentation of results of a research question which the student designed independently.

Intended learning outcomes:
The students have broadened their skills in the area of presenting, explaining and preparing topics in a proper manner. They have extended and improved their rhetorical skills and are able to respond to questions and objections from the audience.

Courses:
(Träger, Anzahl wöchentlicher Kontaktstunden, Sprache — falls anders als Deutsch)
Ü (2)

Method of assessment:
(type, scope, language — if other than German, examination offered — if not every semester, information on whether module is creditable for bonus)
a) presentation (20 to 30 minutes) with handout (1 to 2 pages) or
b) scientific poster (approx. 60 hours total)
Assessment offered: Once a year, summer semester

Allocation of places:
--

Additional information:
