## Module title
Industrial and Organizational Psychology 2

## Abbreviation
06-PSY-AOW-2-202-m01

## Module coordinator
holder of the Professorship of Industrial and Organisational Psychology

## Module offered by
Institute of Psychology

## ECTS
6

## Method of grading
numerical grade

## Only after succ. compl. of module(s)
--

## Duration
1 semester

## Module level
undergraduate

## Other prerequisites
--

## Contents
In two course, basic knowledge about the behavior of employees in organizations is deepened. Selected topics from the lecture (e.g., personnel selection, leadership, motivation, consumer behavior) will be discussed in depth and insights into applications in practice provided.

## Intended learning outcomes
Students gain profound knowledge of central subjects in the field of IO psychology. They are enable to deepen this knowledge within the course of the following BSc or MSc study program, and gain first insights into and experiences with practical competence for applications at work. Theoretical, methodological, and application oriented competences are gained, that can be applied in everyday practice and in a later occupation (e.g. with regard to the selection of employees, work motivation, or leadership).

## Courses
