

Module title		Abbreviation
Cognitive Psychology 1		o6-PSY-KogPSy-1-202-m01
Module coordinator		Module offered by
holder of the Chair of Experimental and Cognitive Psychology		Institute of Psychology
ECTS	Method of grading	Only after succ. compl. of module(s)
5	numerical grade	--
Duration	Module level	Other prerequisites
1 semester	undergraduate	--
Contents		
<p>This module conveys basic knowledge about the phenomena, theories and methods of Cognitive Psychology including Cognitive Neuroscience. Students become acquainted with the principles of cognitive processes such as perception and attention, learning, memory, language and their respective neural underpinnings.</p>		
Intended learning outcomes		
<p>Students will learn to know fundamental explanatory principles of Cognitive Psychology. They will become familiar with basic research methods in the field, and can critically evaluate scientific literature. Moreover, they can assign relevant models and findings of cognitive psychology to applied settings such as psychotherapy or man-machine interaction. They become familiar with experimental research methods which sets the stage for own experimental research.</p>		
Courses (type, number of weekly contact hours, language – if other than German)		
V (2) + S (2)		
Method of assessment (type, scope, language – if other than German, examination offered – if not every semester, information on whether module is creditable for bonus)		
<p>Written examination (approx. 120 minutes) Language of assessment: German and/or English creditable for bonus</p>		
Allocation of places		
<p>2 places. There are no restrictions with regard to available places for students of the degree subjects Psychology (Bachelor of Science, 180 ECTS credits). The number specified is the total number of places that will be allocated to students of other degree subjects in the SFB (list of modules) of which this module is listed. Should the number of applications exceed the number of available places, places will be allocated according to the number of subject semesters. Among applicants with the same number of subject semesters, places will be allocated by lot. A waiting list will be maintained and places re-allocated by lot as they become available.</p>
