<b>Contents</b>		
<p>During the work placements, the students gain insights into the occupational activity of a psychologist in a corresponding institution and/or in the private sector under the guidance of a supervisor with a diploma or a Master's degree in Psychology. The students practice and improve the skills acquired in the courses.</p>		
<b>Intended learning outcomes</b>		
<p>The students learn to apply theoretical and practical aspects of the degree course in their work placements. They establish first contacts in the vocational world and therefore lay a foundation for their future choice of occupation and the specialisation of their Master's degree programme.</p>
