<b>Contents</b>		
Under the supervision of a psychologist with a diploma or master's degree, the job-oriented internships provide insights into the professional activity of psychologists in psychology-related institutions and / or the private sector. Students apply and deepen the knowledge acquired during their studies in a practical context.		
<b>Intended learning outcomes</b>		
The students learn to apply theoretical and practical aspects of their studies to new tasks in their internships. They make their first contacts with the professional world and thus create a basis for their future career choice and for the orientation of the Master's program.
