Contents		
Under the supervision of a psychologist with a diploma or master's degree, the job-oriented internships provide insights into the professional activity of psychologists in psychology-related institutions and / or the private sector. Students apply and deepen the knowledge acquired during their studies in a practical context.		
Intended learning outcomes		
The students learn to apply theoretical and practical aspects of their studies to new tasks in their internships. They make their first contacts with the professional world and thus create a basis for their future career choice and for the orientation of the Master's program.
