Contents		
<p>During the work placements, the students gain insights into the occupational activity of a psychologist in a corresponding institution and/or in the private sector under the guidance of a supervisor with a diploma or a Master's degree in Psychology. The students practice and improve the skills acquired in the courses.</p>		
Intended learning outcomes		
<p>The students learn to apply theoretical and practical aspects of the degree course to new tasks of the work placements. They establish first contacts in the vocational world and therefore lay a foundation for their future choice of occupation and the specialisation of their Master's degree programme.</p>		
Courses (type, number of weekly contact hours, language – if other than German)		
P (no information on SWS (weekly contact hours) and course language available)		
Method of assessment (type, scope, language – if other than German, examination offered – if not every semester, information on whether module is creditable for bonus)		
<p>1 placement report (approx. 8 pages) or 2 placement reports (approx. 4 pages each) if placement is divided up into 2 individual placements. The placement is mandatory. Duration of placement: 12 weeks; can be divided up into 2 individual placements, each placement must, however, have a minimum duration of 4 weeks. As a rule, it must be ensured that the person supervising the placement has a degree as Diplompsychologe. Upon approval by the examination committee, this rule can be deviated from if it can be ensured that the placement is supervised by a person with an equivalent qualification.</p>
