3	numerical grade	--
Duration	Module level	Other prerequisites
1 semester	undergraduate	--
Contents		
<p>The tasks of business psychologists include intervention in different organisational fields of action, e.g. conflict management, change management, personnel selection and development, knowledge management and much more. The seminar provides a detailed insight based on historical and current examples and shows situation-specific possibilities of action in the working field of business psychologists.</p>		
Intended learning outcomes		
<p>The students acquire basic competencies in the field of intervention in organisations and should be able to undertake first steps in an organisation themselves after the seminar.</p>		
Courses (type, number of weekly contact hours, language – if other than German)		
S (no information on SWS (weekly contact hours) and course language available)		
Method of assessment (type, scope, language – if other than German, examination offered – if not every semester, information on whether module is creditable for bonus)
