| <b>Module title</b>   |                              | <b>Abbreviation</b>                         |
| Experience as a subject in psychological experiments  |                              | o6-PSY-VP-202-mo1                           |
| <b>Module coordinator</b>   |                              | <b>Module offered by</b>                    |
| Prüfungsausschussvorsitzende/-r Psychologie   |                              | Institute of Psychology                     |
| <b>ECTS</b>   | <b>Method of grading</b>     | <b>Only after succ. compl. of module(s)</b> |
| 1   | (not) successfully completed | --  |
| <b>Duration</b>   | <b>Module level</b>          | <b>Other prerequisites</b>                  |
| 1 semester  | undergraduate                | --  |
| <b>Contents</b>   |                              |   |
| The module provides insight into empirical research methods, specifically those of the psychological experiment, by taking part in corresponding empirical research projects.                   |                              |   |
| <b>Intended learning outcomes</b>   |                              |   |
| Students experience the role of a participant in psychological experiments. By doing so they gain insight into various research topics and specific techniques of data acquisition.             |                              |   |
| <b>Courses</b> (type, number of weekly contact hours, language – if other than German)  |                              |   |
| P (o)   |                              |   |
| <b>Method of assessment</b> (type, scope, language – if other than German, examination offered – if not every semester, information on whether module is creditable for bonus)                  |                              |   |
| Acting as a participant in experiments (30 hours, no less than 5 of which must be spent acting as a subject in experimental practical courses)<br>Language of assessment: German and/or English |                              |   |
| <b>Allocation of places</b>   |                              |   |
| --  |                              |   |
