**Contents**

Basic empirical methods, data collection and processing; working with texts.

**Intended learning outcomes**

The students have applicable knowledge of psychological methodology and are able to collect and process data. They are principally able to write a psychological text according to scientific criteria.

**Courses** (type, number of weekly contact hours, language — if other than German)

Ü (1)

**Method of assessment** (type, scope, language — if other than German, examination offered — if not every semester, information on whether module is creditable for bonus)

portfolio (approx. 10 pages, to include 3 components on the design, implementation and evaluation of an empirical study)

**Allocation of places**

10 places. Should the number of applications exceed the number of available places, places will be allocated according to the number of subject semesters. Among applicants with the same number of subject semesters, places will be allocated by lot. A waiting list will be maintained and places re-allocated by lot as they become available.
