Contents		
Principles, goals and methods of using media in school and class in view of Media Psychology, media technology, and Educational Psychology, e.g. psychological computer programmes for learning and practising individual teaching subjects and areas; utilising recording media for classroom support (ensuring learning achievements, visualisation, improvement of class solidarity).		
Intended learning outcomes		
The students know corresponding media and their possible pedagogical-psychological application. When it comes to learning programmes, they have gained an overview of relevant, evaluated programmes and are able to evaluate their efficiency on the basis of individual dimensions. They are able to handle recording media and to prepare the usage for improved teaching.
