### Module coordinator
holder of the Chair of Special Education III

### Module offered by
Chair of Special Education III: Speech and Language Pathology

### ECTS
5

### Method of grading
numerical grade

### Only after succ. compl. of module(s)
--

### Duration
1 semester

### Module level
undergraduate

### Other prerequisites
--

### Contents
Principles and knowledge of the acquisition of reading, writing and mathematical skills, disorders in reading, writing and mathematics disorders, effects of (developmental) language disorders on the acquisition of cultural techniques.

### Intended learning outcomes
Self- and social competence: The students are able to work in groups to advance their knowledge of the module’s relevant topics. In doing so, they have deepened their knowledge and have learned to discuss relevant aspects in the seminar.

Methodological competence: The students are able to critically examine scientific literature and questions.

Subject and professional competence: The students have acquired basic knowledge of written language and the acquisition of reading, writing and mathematical skills. Based on this knowledge, they also have profound knowledge of possible disorders in the field of the acquisition of cultural techniques caused by (developmental) language disorders.
