Contents		
Basic problems of systematic pedagogy, basic problems of schooling and education theory, basic philosophical questions of education and schooling, basic questions of pedagogy regarding standards, actions, culture and scientific theory.		
Intended learning outcomes		
The students are able to classify and evaluate different theories of pedagogy in a methodical, historical and sociocultural context. They know about the principles of standards, actions, culture and scientific theory of pedagogy and are able to explain them. They gain a general perspective on pedagogy and develop awareness of the problems of pedagogical stipulations and measures. Furthermore, the students are able to debate philosophical and anthropological requirements of pedagogical theories, discourses and actions. They are able to lead arguments on the basis of theories.
