<b>Contents</b>		
<p>This module analyses institutional framework conditions of the work placements, especially aspects of organisational structures and processes encountered in the institutions. Furthermore, the corresponding seminar serves as a discussion board where the different contents, goals and methods of special educational services and institutions are professionally reflected and discussed in detail. The seminar also imparts different approaches to carrying out a practical study in order to assist the students in preparing the internship report and presentation which are part of the examination. The practical study can be submitted in the form of a project study, an institutional analysis or a special educational reflection.</p>		
<b>Intended learning outcomes</b>		
<p>Advanced theoretical knowledge of organisational structures and processes in institutions based on the example of the chosen work placement, knowledge of requirements and contents of institutional analyses, basic knowledge of the methods of project management, advanced knowledge of general and special educational support methods, advanced knowledge of goals, contents and methods of special educational services and institutions.</p>
