### Contents
The module "Legal Basics" focuses on the special relevance of social and labour law for special educational fields of action and work. The seminar provides an overview of the various social codes as well as labour regulations and explains their relevance for rehabilitation and services for the disabled. Aside from fostering problem awareness, it especially focuses on the general principles of social law.

### Intended learning outcomes
Professional knowledge and basic professional competence regarding social law, labour law and the peculiarities of these legal fields. Professional knowledge of the structure and organisation of both legal fields. Basic knowledge of the regulations of individual labour law (e.g. rights and obligations of employees, holiday entitlements, peculiarities of employment contracts with severely disabled persons). Action and methodological competence in enforcing entitlement to benefits based on social law. Ability to identify and understand aspects of social and labour law which are relevant to pedagogical fields of action.
