Knowledge and experience of the task fields of teachers at Gymnasium in view of pedagogics and didactics; planning classes and evaluating classroom observations as well as own teaching plans and attempts; theoretical classification and reflection		
Intended learning outcomes		
After successfully completing this module, the students know different possibilities to design classes for Gymnasium, to focus on the pupils whilst teaching and to identify promotion possibilities. They are experienced in planning, conducting and analysing classes and in promoting individual pupils as well as the whole class. They have an overview of the task fields of teachers at Hauptschule and of school as an organisation. They are able to evaluate and navigate their own suitability to work as a teacher.
