Contents		
Close examination of exemplary areas of School Pedagogics in view of theories about school, classes or the curriculum.		
Intended learning outcomes		
After successfully completing this module, the students have advanced knowledge of an exemplary area that is essential to the scientific examination of School Pedagogics. They have methodological competencies and know the topic areas that are relevant to practice. The students are able to plan and analyse learning environments or to transfer functions of school to school life and can therefore explain its structures.
