Contents		
This course aims to consolidate the students' theological thinking, expression, and writing skills in relation to topics in religious education that will likely be covered in the state examination.		
Intended learning outcomes		
At the end of the course, students will be able to develop their own structure for the illustration of complex issues in religious education based on literature on a specific topic. They will be able to structure and deploy the knowledge they have gained as well as to develop criteria for the evaluation of a topic in the context of the academic discipline of Protestant theology and Protestant theology didactics.
