<b>Contents</b>		
Biblical theology with a focus on the New Testament and the history of Israel. Grounding in the biblical texts, their connection, meaning in a historical context, and introduction to the exegetical methods.		
<b>Intended learning outcomes</b>		
At the end of the course, students will have developed the ability to assess and interpret the historical content of Old Testament texts. They will be able to understand and interpret the content of New Testament texts and to interrelate them with other texts. They will recognise differences and similarities between the different biblical theologies. They will have developed a fundamental knowledge of the research history of the Old and New Testaments.
