Contents		
Consolidation of ethical-theological thinking, speaking, and writing skills. Connecting all topics in ethics with other topics in theology.		
Intended learning outcomes		
At the end of the course, students will have developed the necessary knowledge in the ethical disciplines. They will be able to express, both orally and in writing, contents in their complex interrelation with other topics in theology. Students will have adopted a supra-individual position on all topics in ethics based upon an increased awareness of problems and sound arguments. They will be able to apply topics in ethics and theology within the context of current social problems and discuss potential solutions.
