Contents		
An introduction to the theory of teaching topics in religion in the context of the other aspects of religious education. The module provides systematic training in the areas of theology and religious education for future religious education teachers. It focuses on didactic and methodological aspects: teaching and learning in the religious education classroom from an education theory point of view.		
Intended learning outcomes		
At the end of the course, students will have developed a reflected understanding of phenomena in religion and religious education. They will have developed the ability to recognise the connections between religion and education and take their own position on religious education.
