Biblical theology. Grounding in the biblical texts of the New and Old Testaments, their connection, meaning in a historical context, and introduction to the exegetical methods.		
Intended learning outcomes		
At the end of the course, students will have developed the ability to assess and interpret the historical content of Old Testament texts. They will be able to understand and interpret the content of New Testament texts and to interrelate them with other texts. They will recognise differences and similarities between the different biblical theologies.
