This course gives students the opportunity to become familiar with, reflect upon, and express their opinion about a selected approach to teaching.		
Intended learning outcomes		
At the end of the course, students will have developed the ability to describe, discuss, and express their opinion about a selected approach to teaching. They will be able to identify the type of school for which that approach is suitable as well as to use the approach in a teaching unit on a selected topic from the curriculum for that type of school.
