<b>Contents</b>		
Introduction to theological ways of thinking in dogmatics, ethics, and anthropology based on current or central theological and philosophical texts.		
<b>Intended learning outcomes</b>		
In the area of dogmatics, students will have developed the ability to understand and describe complex theological texts, recognise the inherent problems, communicate their content with other positions, and express their own well-justified point of view. In the area of ethics, students will be able to recognise fundamental approaches of an ethical or anthropological argument, to situate the contents within the context of current social problems, and to discuss them in an appropriate manner.
