Contents		
Theological interpretations of key concepts in ethics (including, but not limited to, love, power, justice, and freedom) on the basis of a broad range of topics (ecology, bioethics, the media and data protection, war and peace, inclusion, religious diversity, etc.).		
Intended learning outcomes		
At the end of course, students will have become familiar with theological positions on issues in ethics. They will be able to situate them within cultural and historical contexts, assess their relevance to current debates, and reflect upon the relevance they have to their own theological discussions.
