Focusing on learning by teaching, this module provides students with an opportunity to develop key transferable skills such as organisational and leadership skills, effective communication, information literacy, and the ability to communicate subject matter to others.		
Intended learning outcomes		
At the end of the course, students will have developed written and oral communication skills. They will be able to communicate effectively and resolve conflicts. In addition, students will have learned how to search for information efficiently, verify the information they have found, and evaluate how relevant it is. They will have developed the ability to communicate subject matter to others in a clear and efficient manner that is tailored to the needs of their audience.
