

<b>Module title</b>		<b>Abbreviation</b>
Diagnostics of emotional and behavioral disorders		o6-V-Diag-V-202-mo1
<b>Module coordinator</b>		<b>Module offered by</b>
holder of the Chair of Education of behavioral disorder		
<b>ECTS</b>	<b>Method of grading</b>	<b>Only after succ. compl. of module(s)</b>
5	numerical grade	--
<b>Duration</b>	<b>Module level</b>	<b>Other prerequisites</b>
1 semester	undergraduate	--
<b>Contents</b>		
<p>Diagnostic tasks in the context of behavioural disorders; basic diagnostic approaches of assessment and judgement (person, situation, interaction, perception); approaches and diagnostic techniques in the context of behavioural disorders, especially anamnesis and interview, behavioural observation, questionnaire methods, test methods, projective methods, sociometric methods, situation analysis and analysis of action regulation; drawing up of medical reports including proposals for support.</p>		
<b>Intended learning outcomes</b>		
<p>The students know and are able to apply different methods of evaluating behavioural disorders. Their diagnostic knowledge enables them to judge and to choose relevant diagnostic procedures (professional competence, methodological competence). They are able to deal with diagnostic tasks in a competent and reflective manner (professional competence, self-competence). They have acquired basic skills in carrying out a special educational assessment regarding behavioural disorders. They are able to develop proposals for support on the basis of diagnostic findings (professional competence, methodological competence). They are able to constructively discuss diagnostic questions in a team, choose approaches and find solutions (social competence).</p>		
<b>Courses</b> (type, number of weekly contact hours, language – if other than German)		
S (2) + Ü (1)		
<b>Method of assessment</b> (type, scope, language – if other than German, examination offered – if not every semester, information on whether module is creditable for bonus)		
<p>1) preparing an assessment of special educational need (approx. 15 pages) or                  2) presentation (approx. 45 minutes) with term paper (approx. 10 pages) or                  3) scientific poster (20 to 30 hours total)                  creditable for bonus</p>
