<b>ECTS</b>	<b>Method of grading</b>	<b>Only after succ. compl. of module(s)</b>
5	(not) successfully completed	--
<b>Duration</b>	<b>Module level</b>	<b>Other prerequisites</b>
2 semester	undergraduate	Admission prerequisite to assessment: practical work: participation in project teams.
<b>Contents</b>		
Selected problems of Education for People with Emotional and Behavioural Disorders, group processes and processes of social learning, violence prevention, intercultural competencies in working with families with a migrant background, alternating prioritisation under the guidance of subject specialists, pedagogical support for children and juveniles from deprived areas; gender- and age-homogeneous youth group work; interest-specific group work with children and juveniles		
<b>Intended learning outcomes</b>		
The students can independently plan, organise and hold group sessions and are able to apply legal basics such as duty of supervision in practice. They are able to work in a team and acquire leadership skills by independently cooperating with fellow students and by communicating with children and their families (self- and social competence). By combining theory and practice, the students are able to critically evaluate pedagogical theories and learn to scrutinise their own actions.
