Working as tutors, students will mentor other students during courses in particular and will help organise and design courses, in particular exercises.		
Intended learning outcomes		
The tutors are able to communicate complex concepts in a clear and structured way. They have gained experience supervising a group and helping students with personal matters. The tutors have thus enhanced their own interpersonal skills and know how to share their expertise in exploring complex topics. In addition, the tutors have learned to plan and organise key elements of their own university education and the university education of the students they mentor.
