### Contents

Students pursuing a teaching degree Grundschule who have selected biology as their Didaktikfach (subject studied with a focus on teaching methodology) may write their Hausarbeit (thesis) for example in biology didactics. Within a given time frame, students will independently research and write on a topic, applying the necessary methods.

### Intended learning outcomes

Students will be able to address a defined problem, applying scientific approaches and methods. They will use didactic methods appropriate to the respective topic. They will present their findings in a written thesis. Working on this thesis, students will enhance their scientific writing skills (structuring papers, citing sources etc.).
