Contents
Students pursuing a teaching degree Grundschule who have selected biology as their Unterrichtsfach (subject studied with a focus on the scientific discipline) may write their Hausarbeit (thesis) in biology didactics or in a subject discipline of biology. Within a given time frame, students will independently research and write on a topic, applying the necessary methods.

Intended learning outcomes
Students will be able to address a defined problem, applying scientific approaches and methods. They will use didactic or scientific methods appropriate to the respective topic. They will present their findings in a written thesis. Working on this thesis, students will enhance their scientific writing skills (structuring papers, citing sources etc.).
