Contents

Students pursuing a teaching degree Gymnasium who have selected biology as their vertieft studiertes Fach (subject studied with a focus on the scientific discipline) may write their Hausarbeit (thesis) in biology didactics or in a subject discipline of biology. Within a given time frame, students will independently research and write on a topic, applying the necessary methods.

Intended learning outcomes

Students will be able to address a defined problem, applying scientific approaches and methods. They will use didactic or scientific methods appropriate to the respective topic. Working on this thesis, students will enhance their scientific writing skills (structuring papers, citing sources etc.).
