<p>Working as tutors, students will mentor other students during the modules <i>Allgemeine Biologie (General Biology)</i> I through III in particular. Tutors will identify the key subject-specific concepts covered in the lectures and will help students improve upon their understanding of material, consolidate their knowledge and prepare for assessments. They will correct exercises, will discuss these with students and will help them fill gaps in their knowledge. Tutors will support other students on their way towards academic success.</p>		
Intended learning outcomes		
<p>The tutors are able to communicate complex concepts in a clear and structured way. They have gained experience supervising a group. Having acquired the background knowledge needed to be able to answer specific questions and explain material in detail, the tutors have also enhanced their own subject-specific skills. They have enhanced their teaching skills.</p>
