Practical Experience in transfer of knowledge obtained in the Teaching-Learning-Garden 1

**Module coordinator**
head of group Didactics of Biology

**Module offered by**
Department of Didactics of Biology

**ECTS**
3

**Method of grading**
Only after succ. compl. of module(s)

**Duration**
1 semester

**Module level**
undergraduate

**Other prerequisites**
--

**Contents**
This course will provide students with an opportunity to take on the role of teacher and work with real groups of pupils. Particular emphasis will be placed on the presentation of topics; in many cases the presentation will be accompanied by a demonstration to illustrate the topics. Students will either teach existing topics they adapted to fit the needs of their target groups or will develop new topics.

**Intended learning outcomes**
Students are able to teach groups, communicating in practice what they have learned in theory.

**Courses**
(no information on SWS (weekly contact hours) and course language available)

**Method of assessment**
a) presentation (20 to 30 minutes) or b) term paper (7 to 10 pages)

**Allocation of places**
--

**Additional information**
--

**Referred to in LPO I**
(examination regulations for teaching-degree programmes)
