Module title

Professional skills in handling school groups 1

Abbreviation

07-LLG-Pö1-151-m01

Module coordinator

head of group Didactics of Biology

Module offered by

Department of Didactics of Biology

ECTS

3

Method of grading

Only after succ. compl. of module(s)

Module coordinator

head of group Didactics of Biology

Module offered by

Department of Didactics of Biology

Duration

1 semester

Module level

undergraduate

Other prerequisites

--

Contents

Groups are diverse, their members have different personalities. Groups are also dynamic entities. How do we deal with these groups? What do we have to expect? How do we come across to groups and how can we adjust to their needs? How can we get the individual members interested in or even enthusiastic about the topics we are teaching? This module will focus on different groups and their expectations. You will learn and try out some of the tricks of the teaching trade.

Intended learning outcomes

Ability to effectively work with groups. Ability to confidently interact with groups.

Courses

Ü (no information on SWS (weekly contact hours) and course language available)

Method of assessment

a) presentation (20 to 30 minutes) or b) term paper (7 to 10 pages)

Allocation of places

--

Additional information

--

Referred to in LPO I (examination regulations for teaching-degree programmes)
